

STRENGTHEN YOUR BUSINESS WITH ADCG

About Us

The Australian Defence Consultancy Group (ADCG) supports Defence Industry and their Supply Chains, ensuring employees and sub-contractors are security cleared and Defence and Government Ready. ADCG enhances Australian Defence Industry by providing security clearance sponsorships and management, access to security cleared talent, and expert consulting services.

Our Services

Security Clearance Applications & Sponsorship

We facilitate and sponsor candidates at the Baseline, Secret (NV1), and Top Secret (NV2) security clearance levels, enabling business to compete for Defence work with a cleared workforce.

Security Clearance Management

ADCG provides through-life governance and security clearance management, ensuring security clearance holders can maintain and uplift their clearance status and comply with mandatory reporting and training requirements.

Recruiting Security Cleared Talent

ADCG Recruiting provides access to a network of security cleared candidates to meet your workforce needs.

Strategic Consulting

ADCG's Strategic Consulting Group provides Defence policy and industry analysis including Australian defence industry market entry assessments.

DISP Membership and Governance

ADCG assists Industry with applications for the Defence Industry Security Program (DISP) membership and ongoing governance support across all four DISP components: Governance; Personnel; Physical; Information & Cyber.
